

Dear UGFA Member,

As you may be aware, Laurentian University is filing for court protection under the Companies' Creditors Arrangement Act (CCAA) due to the financial challenges it is facing. In support of the Laurentian University Faculty Association, the UGFA invites you to send a letter to the provincial and federal governments asking them to intervene to stop the CCAA insolvency proceedings and provide long-term, stable funding to Laurentian University. A letter can be found here: https://lufappul.ca/wp/?page_id=4989
